A MESSAGE FROM HEAD OF SCHOOL DR. MARC SNOW

It continues to be one of my greatest honors to serve Plaza Heights Christian Academy as its Head of School. The school is an amazing place to work, and an impactful place for students to learn and grow.

Contained in the following pages you will find our annual report. I hope you will agree, as you read further, that the Lord has blessed the school in so many ways. The intent of this report is so families, businesses, supporters and friends of the school can see how they have contributed to the overall success and health of the school. There is a lot of good news contained in this report!

The school continues to impact the lives of students academically, emotionally, socially, athletically and most importantly, spiritually. This would not have been possible without the support and prayers of each of you. Thank you for your involvement. The Lord has been faithful to Plaza Heights. We know that he will continue to be so in the years to come. I'm looking forward to more great things in the many days ahead!

God Bless,
Dr. Marc Snow
Head of School

SPIRITUAL IMPACT

- Partnered with Chozi School in Zambia to raise funds for essential supplies and furniture
- Celebrated students' decisions for salvation, rededication, baptism, and calls to ministry
- Gathered for an impactful fall retreat featuring speaker Jackson Frish from Abundant Life Blue Springs, worship led by pastors from The Gathering, small-group discussions, and time for spiritual growth
- Hosted the Student Awakening Revival—a powerful evening of reflection, worship, and Scripture that included students from PHCA and local youth groups
- Read Scripture together as students and staff, exploring how the person of Jesus is woven throughout the Bible

"During my sixth grade year, I rededicated my life to Christ. I knew I was saved from a young age, I just never truly gave God my all. Mrs. G and Mrs. Amerine played a big part in helping me get closer to God. Plaza isn't just a school you graduate from, it's an awesome community of believers that get to fellowship on a daily basis. - PHCA 10th Grader"
