ROOTED IN FAITH, REACHING FOR THE FUTURE:  
25 YEARS OF THE LION'S LEGACY

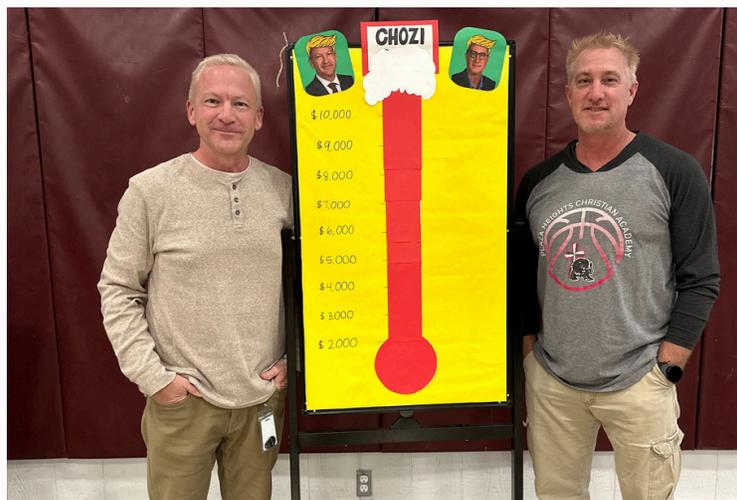

## ROOTED IN FAITH

Students put our 2024-2025 school year theme of "it's not about me", based on Philippians 2:3-4, into action this year as they diligently raised money for Chozi School in Africa!

The PHCA community raised over \$11,000, which will build a school building for students in Zambia and provide access to food, clean water, and an education.

In addition to meeting these needs, students will regularly hear the Gospel and receive Bible based teaching, impacting their lives and the lives of their families, and their community.

As promised, Dr. Snow and Mr. Burks bleached their hair once our giving goal was reached; we are so proud of our students for putting their faith into action, and giving generously to our mission partners!

# REACHING FOR THE FUTURE

## LET'S CELEBRATE TOGETHER!

- **25th Anniversary Gala**

Join us for an evening of celebration as we look back on all the Lord has done, and as we prayerfully move forward towards all that the Lord has for us! Get your tickets on the PHCA website no later than February 16th!

- **Annual Basket Bonanza**

PTF's Annual Basket Bonanza is one of the ways our families, businesses, and friends join together to make an impact at PHCA! Join us on March 28th starting at 5pm or visit our online auction starting March 1st (watch social media for the link!); event proceeds will help to fund technology and facility improvements related to security, and new playground equipment!
